

November 2024

Dear Parent/Carer

Year 13 UCAS and Careers Day - Thursday 14 November

This term our Extended Learning Day for Year 13 students has been designated for UCAS, Degree Apprenticeship and Careers support, and will take place on Thursday 14 November. The students will begin the day with a presentation on the UCAS process and alternatives to university, and will then spend the rest of the day working with staff on their university applications and Personal Statements. We hope this will allow students to complete their applications by 11 December, which is the school's deadline for UCAS.

We will have a careers advisor working with students in groups and on an individual basis throughout the day. They will be available for advice on careers and apprenticeships, CV writing, and interview techniques. Students who wish to make an appointment to see the school's Careers Advisor, outside of our Careers and UCAS day, should speak to Mrs Turner in the Sixth Form Office. **All students will need to bring their own electronic devices, this must not be a mobile phone.**

For the few students who are exempt from this day as they have already sent their application off to UCAS, please use the link to authorise their home study arrangements using this online [form](#)

Further information about the UCAS process can be found on the UCAS website:

[UCAS Advice for Parents/Carers](#)

Yours sincerely

Mr A Bull
Head of Year 13
